

CHAINS OF GLORY

Important note: This is the Players Guide Tutorial for the game testing time. **All your progress in the game will be lost upon release.** Nevertheless, **we appreciate you testing the platform and all feedback sent to us, therefore we have created a reward program in order to compensate individual players' efforts.**

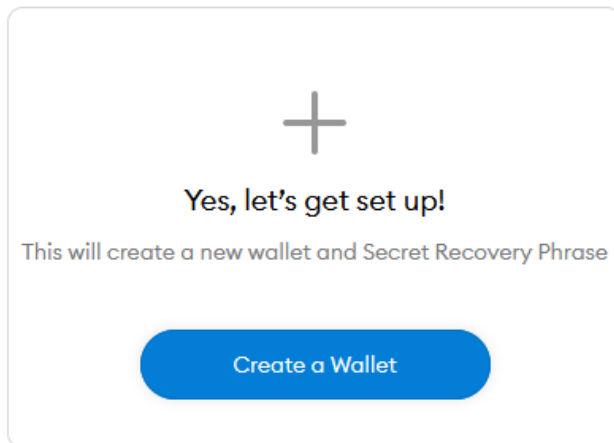

Index

1. Index.
2. Create a wallet in metamask.
3. Create a wallet in metamask (part 2).
4. Connect to the polygon network.
5. Get MATIC to start playing.
6. Contact us.

Create a wallet in Metamask.

We recommend the following steps:

1. Download and install the [Metamask](#) addon for your [Chrome](#) or [Firefox](#) browser.
2. In the top right corner of your browser window, click on the Metamask icon and create a new wallet.

3. Create a new password. This password will only be used to log in to your wallet through the browser extension.

Create Password

New password (min 8 chars)

Confirm password

I have read and agree to the [Terms of Use](#)

Create

4. **Make sure to keep your recovery phrase in a safe place and do not share it with anyone under any circumstance at all.** This phrase gives full control over your wallet to whoever knows it.

[< Back](#)

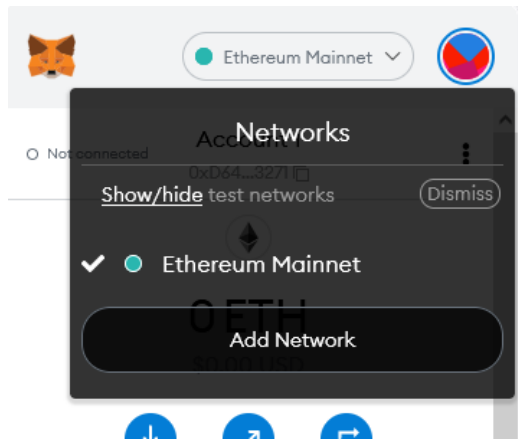

Confirm your Secret Backup Phrase

Please select each phrase in order to make sure it is correct.

Confirm

Click the given words in the right order and continue.

5. Connect to the [Polygon Network](#) by clicking this button on your Metamask:

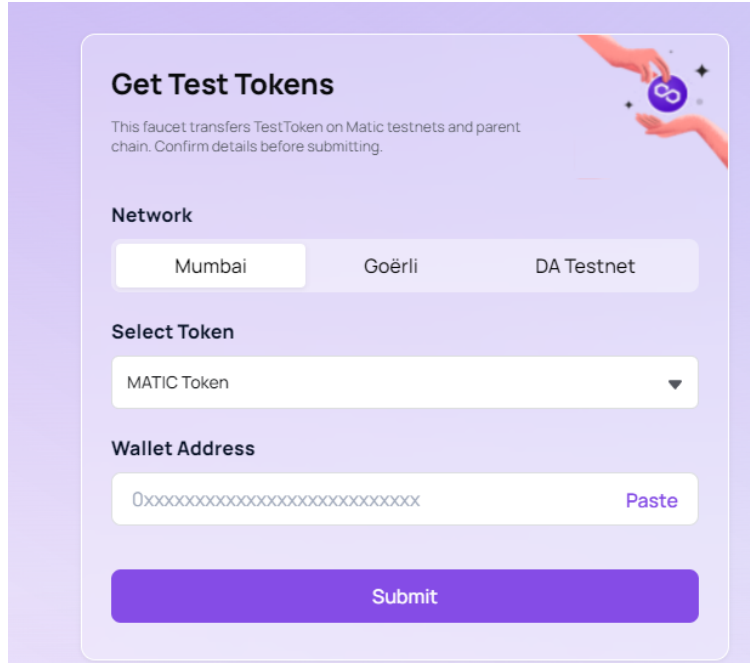

and “Add Network”.

Fill out the form with the following:

- Network Name: Mumbai
- New RPC URL: <https://matic-mumbai.chainstacklabs.com>
- Chain ID: 80001
- Currency Symbol: MATIC
- Block Explorer URL: <https://mumbai.polygonscan.com>

Get matic to start playing.

6. [Get MATIC for free](#):

The screenshot shows a web interface titled "Get Test Tokens" with a subtitle: "This faucet transfers TestToken on Matic testnets and parent chain. Confirm details before submitting." In the top right corner, there is an illustration of two hands holding a purple coin with an infinity symbol. The form contains three sections: "Network" with buttons for "Mumbai", "Goerli", and "DA Testnet"; "Select Token" with a dropdown menu currently showing "MATIC Token"; and "Wallet Address" with a text input field containing a placeholder "0xxxxxxxxxxxxxxxxxxxxxxxxxxxx" and a "Paste" button. A large purple "Submit" button is at the bottom.

7. Access the platform: [LINK](#)
8. Connect your wallet using the green button at the top.
9. Enjoy.

Contact us and give us feedback.

We are very thankful if you are willing to try the game and let us know what we could improve, therefore we ask you to contact us directly through [DISCORD](#) or sending an email to our [EMAIL](#).
